PROFESSIONAL WORK EXPERIENCE

SEO Team Lead

April 2026 – Present

Joy Technologies • Chennai, India

- Lead, mentor, and direct a team of SEO specialists and outreach associates, managing search-marketing operations across 45+ active client accounts.
- Standardized agency Standard Operating Procedures (SOPs) for technical site auditing, keyword mapping, backlink acquisition, and quality assurance reviews.
- Direct enterprise technical SEO audits, resolving indexation bottlenecks, crawl errors, and structured JSON-LD schema deployments.
- Collaborate with web developers and UI/UX designers to integrate search compliance into site builds and production code releases.
- Formulate growth roadmaps and present monthly organic traffic ROI reports to enterprise stakeholders using automated Looker Studio dashboards.

SEO Specialist

June 2024 – April 2026

Joy Technologies • Chennai, India

- Designed and executed end-to-end technical, on-page, and off-page SEO strategies for international client portfolios in Travel, E-Commerce, Finance, and B2B sectors.
- Diagnosed and resolved Core Web Vitals performance bottlenecks using Screaming Frog and GSC, improving mobile page speed scores.
- Conducted competitor keyword gap analysis and search intent mapping to capture high-converting transactional search queries.
- Executed white-hat backlink campaigns, acquiring high-authority DA 50+ contextual backlinks to scale client domain authority scores.
- Configured GA4 custom events and Google Tag Manager tracking to optimize landing page CTA placements and user conversion paths.

Associate SEO Specialist

June 2023 – June 2024

Joy Technologies • Chennai, India

- Promoted to full-time associate specialist following top-tier intern performance; managed SEO execution for 20+ concurrent client accounts.
- Executed technical on-page optimizations including title tags, meta descriptions, header tag structures, internal linking, and image alt text.
- Managed scaled off-page outreach, guest blogging, local citation management, and Google Business Profile optimizations.
- Maintained consistent on-time project delivery schedules, driving enhanced client retention rates and customer satisfaction scores.

Digital Marketing Intern

January 2023 – March 2023

Joy Technologies • Chennai, India

- Performed initial keyword discovery, competitor search volume benchmarking, and technical audit support for senior specialists.
- Implemented segmented email marketing outreach sequences and built target publisher contact prospect databases.
- Executed foundational off-page submissions, business directory verifications, and link prospecting.
